

OCTOBER

Happy Autumn! What a wonderful time of year! We have many fun activities planned for October. Our weekly themes this month are: colors and shapes, reading around the world, favorite authors, pumpkins, and farm. Can you believe we are already through our first month of Kindergarten?! We have become more familiar with our new classroom, new friends, and our daily routines. The beginning steps for learning how to read are underway and everyone is eager and ready! Please do not hesitate to talk with us or email if you have any questions at any time.
