

SEA STAR NEWS

JANUARY 2022

Welcome back and Happy New Year! We hope that the Christmas season was happy, healthy and relaxing for all of you. We missed you all. We are ready to begin a new year of growth and learning!

Over the course of the school year, we have been observing your children for their social, emotional, and cognitive development. At the end of this month, we will be completing full assessments of each child. As our Fall registration is in February, these assessments will help to determine the next level of school for your children. If you have any questions or concerns, please do not hesitate to ask.

JAN. 12th and 13th: Southern California Sensory Screening This is a wonderful service that is performed here at school. If you have any concerns about your child's speech, hearing or vision please consider having your child participate. Information and forms will be available in your child's file folder.
