

# Welcome to the Orange Room Mission Lutheran School

Welcome to the Orange Room! I would like to take this opportunity to introduce myself, my name is Monica Lawrence. I earned my Bachelors Degree from the University of San Diego with a Multiple Subject Teaching Credential. I have been a part of the Mission Lutheran Family for the past 25 years. I am happily married and have four wonderful children, three of whom started their school experience here at Mission Lutheran. I am excited to work with your child this year and help them achieve their full potential.

One key element to a successful year is communication. I am always available to discuss your child's progress and any concerns or questions you may have via email at [mlsorangeroom@gmail.com](mailto:mlsorangeroom@gmail.com). Throughout the year I will communicate through notes, weekly emails, phone calls, report cards, and teacher conferences. Each month you can download our newsletter and calendar at [missionlutheralschool.com](http://missionlutheralschool.com). I encourage all parents to read through the Parent Handbook. It explains all of the school's policies and can be a helpful tool to keep you informed. There you will find monthly themes, events and other helpful information. Please note that schedules are subject to change and lessons may be adjusted.

Let's keep our campus healthy and germ free! If your child does not feel well, please allow them to stay at home and rest. Your child's health and safety is our number one priority. Please help your child arrive on time for school. Our health check-in begins promptly at 8:15am and our days are packed with lots of fun and learning. If you arrive after 8:30am you must check-in at the office.

## REMINDERS:

-  School is messy, please bring an extra set of clothes
-  Your child's snack and lunch will be stored in their cubby so please no perishables or anything that needs to be microwaved.
-  We have a 20-minute rest time in the afternoon, your child will need a blanket and crib size sheet.

Our goal is to provide a safe and loving environment for your child to learn and grow.  
We are looking forward to a great year filled with many smiles, laughs and learning.

Thank you!  
Ms. Monica
