

Purple Room Newsletter

January 2022

Welcome back and a very Happy New Year to everyone! I hope that you all had a wonderful and safe Christmas with your family. I missed you and I am happy to be back with our Purple Room friends.

I am excited to be able to start the year with lots of learning experiences for your children through art, games, puzzles, and music. We will be starting 'Share Time' soon. It is an important part of our day. It helps each child feel important, gives them an opportunity to share a treasured item from home with their friends and encourages critical thinking when they try to guess what is in the share bag using the clues their friends have provided. Be on the look out for an email with more information coming soon!

Come sign-up in front of the school office if you are interested in hearing about our outstanding "Kindergarten" program at our Kindergarten Round-Up. Space is limited... We don't want to let you go. Hope your child can join us again next year!

Blessings, Ms. Joanne
