

# Rainbow Room

## November 2021 News

We have been having so much fun in the Rainbow Room. The children really seem to be enjoying our activities. One of our favorites is the writing program. Each week we introduce the students to a new letter. We learn about what the letter looks like as well as what sound it makes. We use the language of the HandwritingWithoutTears program to describe the components of how the letter is formed. The upper case "F", for example, is a big line down, frog jump back to the top, little line across at the top, and little line across at the middle.

Pre-k age children develop writing skills at different paces. So we use several unique activities to promote letter formation. Race-To-Erase is a fun activity we do with chalkboards and small pieces of chalk that helps to promote proper pencil grip. We have several other exciting activities that we utilize. And best of all, the kids have fun!

We had an incredible outcome to our Monarch Fundraiser! Your generous donations have already funded our MLS Pumpkin Patch and there's more fun to come. If you haven't grabbed a caterpillar yet, now's your chance! The Fundraiser ends November 19th. Thank you for participating and helping us reach our goal so that we may enjoy these amazing events!

## November Happenings

Spiritual Theme: Thank You Lord

Bible Verse: "Give thanks to the Lord for He is Good" Psalm 107:1

Here are some 'Important Dates' to remember...
